Dear Sir/Madam:

I make this request pursuant to the Freedom of Information and Protection of Privacy Act.

Minister of Employment and Income Assistance Claude Richmond recently told a Kamloops radio audience that only one in 30 children live in poor families. This is a request for any ministerial briefing note, research or other document that could be the source of the Minister's misinformation with respect to the number or proportion of children who live in poverty.

Sincerely,

David D. Schreck
