Dear Sir/Madam:

I make this request pursuant to the *Freedom of Information and Protection of Privacy Act*.

This request is for any documents that comment on or explain the estimate provided in the Minister Responsible for Housing's October 3, 2006, news release (2006FOR0127-001187) that the Rental Assistance Program will cost \$40 million per year and that "This strategy will immediately assist approximately 15,000 low-income working families and homeless individuals." Without limiting the generality of this request, it is specifically for any documents that include estimates regarding the number of people that satisfy the eligibility requirements for the Rental Assistance Program, including having at least one child under age 19 and an income under \$20,000 per year at least part of which is from employment.

This request is also for any documents that discuss the application process for the Rental Assistance Program relative to the application process for MSP premium assistance.

Sincerely,

David D. Schreck
