Dear Ms. Edwards:

This is a request for information under the terms of the Freedom of Information and Protection of Privacy Act.

Table 2.1 on page 74 of the 2007-08 budget documents indicates that the estimated full year cost for the 10% income tax reduction is \$515 million. This request is for the Ministry's estimates on the breakdown of that tax reduction by level of income. Without limiting the generality of this request, this request is for the Ministry's estimate of the aggregate amount (portion of the \$515 million) that is attributed to those with incomes in excess of \$100,000.

Sincerely,

David D. Schreck
